3.3. Live Streaming Services

Members may choose to livestream their matches separately from the official tournament broadcast, at their own risk. Penalties will not be awarded due to screen cheating against streaming Members.

4. Regular Season Tiebreakers

4.1. Applicability of Tiebreakers

This section 4 shall apply to resolve ties in the event that multiple Players have the same match winning percentage at the conclusion of any Regular Season Split. Notwithstanding anything else in this section 8, to the extent a tie requires playing any additional Game(s) after the conclusion of the Regular Season Split, such Game or Games will only be played to resolve ties that affect postseason participation.

4.2. Tiebreaker Timing.

To the extent additional tiebreaker Games are necessary to resolve any ties, Games will be played at a time designated by the League following the final Game of the Regular Season, but prior to the first day of the postseason.

4.3. Strength of Victory

4.3.1. Total Game Victory Time.

When used herein, the Total Game Victory Time shall be considered the total amount of time it took a Player to win their Games against all other Players in the tiebreaker. In any situation where the Total Game Victory Time between tied Players is identical, the Total Game Victory Time shall be substituted by the total amount of Game time it took a Player to win all of their Games in the applicable Split. In any situation where Total Game Victory Time is required but a Team has no victories against an opponent, the Player with victories shall be considered to have the faster Total Game Victory Time.

4.4. Two-Way tie.

If two Players have the same Match winning percentage, the first tie-breaker is head-to-head records. If one Player has won more than 50% of the Matches between each other, they shall be declared the winner of the tie-breaker and will be awarded the higher seeding. If the two Players have identical head-to-head records (as defined as each Player winning 50% of Matches between each other), then said Players will play one tiebreaker Game to determine the final standings. To the extent that a two-way tie exists for the third and fourth seeds in the Spring postseason, no Game shall be played.

4.5. Three-way tie.

If three Players are tied, the head-to-head record of all Players involved in the tie against all other Players involved in the tiebreaker will be considered. There are five possible combinations of records in a three-way tiebreaker, each of which are considered below:

4.5.1. Each Player in the tiebreaker has a combined record of 2-2 against each of the other Players in the tie. In this case, the Players with the two lowest Strength of Victory Scores will play one tiebreaker Game. The loser of that Game will be awarded the lowest standing being decided by the tiebreaker and the winner of that Game will play a single tiebreaker Game against the Player with the highest Strength of Victory Score. The winner of that second tiebreaker Game will be awarded the highest standing being decided by the tiebreaker, and the loser of the Game will be awarded the remaining standing.

4.5.2. One Player has an aggregate record of 3-1, the next Player is 2-2 and the third Player is 1-3. In this case, the Players with the 2-2 and 1-3 records will play one tiebreaker Game. The loser of that Game will be awarded the lowest standing being decided by the tiebreaker and the winner of that Game will play a single tiebreaker Game against the 3-1 Player. The

winner of that second tiebreaker Game will be awarded the highest standing being decided by the tiebreaker, and the loser of the Game will be awarded the remaining standing.

- 4.5.3. Two Players have an aggregate record of 3-1 and the third Player has an aggregate record of 0-4. The Player that is 0-4 is awarded the lowest standing being decided by the tiebreaker and a new tiebreaker is declared amongst the two Players with an aggregate record of 3-1 utilizing the two-way tie procedure set forth in Section 4.3.2.
- 4.5.4. One Player has an aggregate record of 4-0 and the other two Players have an aggregate record of 1-3. The Player that is 4-0 is automatically granted the highest seed available in the tiebreaker (therefore winning the tiebreaker), and a new tiebreaker is declared amongst the two Players with an aggregate record of 1-3 utilizing the two-way tie procedure set forth in Section 4.3.2.
- 4.5.5. One Player has an aggregate record of 4-0, the next Player has an aggregate record of 2-2 and the third Player has an aggregate record of 0-4. The Player that is 4-0 is automatically granted the highest seed available in the tiebreaker (therefore winning the tiebreaker), the 2-2 Player is awarded the second highest seed available (since it would win the head-to-head tiebreaker against the 0-4 Player), and the 0-4 Player is awarded the lowest seed available in the tiebreaker.

3-WAY TIEBREAKERS

SCENARIO 1 EQUAL HEAD-TO-HEAD RECORD

SCENARIO 2 ONE TEAM HAS THE HIGHEST HEAD-TO-HEAD RECORD (BUT NOT 4-0)

SCENARIO 3 TWO TEAMS HAVE HIGHEST HEAD-TO-HEAD RECORD

SCENARIO 4 ONE TEAM HAS A 4-0 HEAD-TO-HEAD RECORD

SCENARIO 5 NO TIES IN HEAD-TO-HEAD RECORD

- 4.6.6. **Nine-way tie:** The two Players with the lowest Strength of Victory Scores will play a single-elimination play-in Game to enter the tournament.

- 4.6.7. **Ten-way tie:** The four Players with the lowest Strength of Victory Scores will be randomly drawn into two best of one play-in Games.

The two losing Players from the play-in Games will then follow the two-way tie procedure set forth in Section 4.4 for the two lowest standings being decided by the tiebreaker. The two winning Teams from the play-in Games and the six remaining Teams will then follow the eight-way tie procedure set forth in Section 4.6.5.

4.7. **Tiebreaker of Last Resort**

- 4.7.1. To the extent a tiebreaker arises that is not contemplated or addressed by these Rules, the order of precedence for tie-breakers shall be (a) Strength of Victory, (b) Total Game Victory Time, and (c) coin flip. 6.1. Changes to Schedule

6.1.1. League officials may, at their sole discretion, re-order the schedule of Matches within a given day and/or change the date of a Match to a different date or otherwise modify the schedule of Matches. In the event that the League modifies a Match schedule, the League will notify all Members as soon as possible.

6.2. Role of Referees

6.2.1. **Head Referee.** The Head Referee, is a DuelCircle tournament official who is responsible for the judgements on every Game-related issue, question and situation which occurs before, during, and immediately following Game play. Their oversight includes but is not limited to:

- Announcing the beginning of the Game.
- Issuing penalties in response to Rule violations during the Game.
- Making all Game-related determinations under these Rules, including stoppages of play (section 6.6.2), and Awarded Game Victories (section 6.6.3).
- Confirming the end of the Game and its results.

6.2.2. **Referee Responsibilities.** Referees, or tournament officials, volunteer on behalf of the League and are subject to the direction, review and oversight of the Head Referee. Referees are responsible for:

- Administering the Player checklist and enforcing all Rules on stage, including directing Players to take or refrain from taking any action.
 - Communicating with Players via Discord about any issues experienced in and out of game.
 - Carrying out specific protocols directed by the Head Referee, and/or in support of these Rules.
- 6.2.3. **Finality of Judgement.** If a Referee makes an incorrect judgment, the judgment can be subject to review and reversal or modification by the DuelCircle Leadership Team. Any decision of the Head Referee may be reviewed by other DuelCircle tournament officials at their discretion during or after the Match to determine if the proper procedure was implemented to allow for a fair decision. If the proper procedure was not followed, DuelCircle Leadership reserves the right to potentially invalidate the Head Referee decision. DuelCircle’s Leadership Team will always maintain the final say in all decisions set forth throughout the League.

6.4. **Competitive Patch**

6.4.1. All games will be played on the current patch available on the Live Realm, once a sufficient testing period has occurred. Changes to the competitive patch will be at the discretion of the League.

- As a guideline, the competitive patch will be updated a full calendar week after its release onto the live server. A patch will not be implemented during the postseason.

Example: The W101 Spring Update was released to the Live Realm on April 22nd, 2021. It will be eligible to be used as a competitive patch for all Matches beginning on May 1st, unless the postseason has started.

- New Spells that have been released into the Live Realm will be automatically restricted for one week. New Spells released during the postseason will be restricted.

Example: Ratatoskr's Spin was released on August 2nd, 2021, so Ratatoskr's Spin became eligible to be used in all Matches on August 9th, 2021, unless the postseason has started.

- In the event of an unannounced live server update, which specifically impacts current statistics, and cannot be circumvented, League Officials will inform all Players about all changes within the unannounced live server update.

6.5. **Pre-Match Setup**

6.5.1. **Setup Time.** Players will have designated blocks of time prior to their Game time to ensure they are fully prepared. A DuelCircle tournament official will inform Players of their scheduled setup time and duration as part of their Game schedule. DuelCircle Media may change the schedule at any time, for any reason. Setup is comprised of the following:

- Ensuring proper audio function of Discord.
- Setting up desired gear and decks.
- Adding other Players, and DuelCircle tournament officials in-game, if possible.

6.5.2. **Timeliness of Match Start.** It is expected that players resolve any issues with the setup process within the allotted time and that Match will begin promptly at the scheduled time. Penalties for tardiness may be assessed at the discretion of the League.

6.5.3. **Player Ready State.** No fewer than five minutes before the Match is scheduled to begin, a Referee will confirm with each Player that their

setup is complete. Once a Referee has confirmed, Players may not make any additional changes.

- 6.5.4. **Game Creation.** Players will be directed by a Referee via Discord to create a match via the Practice Queue. If feasible, you must use the “Friends Only” setting to prevent interference.
- 6.5.5. **Game Time Limitations.** During all DuelCircle Competitive Games (including Regular and Postseason Games), players are limited to 30 minutes of gameplay. While the tournament broadcast does have a timer, the Referee’s timer will be deemed official.
- **Referee Responsibilities.**
At any point during the game, players may request an update on the current time of the game. Referees will also announce the time during the 15th, 20th, 25th, and 29th minute.
- 6.5.6. **Games Reaching The 30th Minute.**
- When the official timer reaches the 30th Minute, both players will have the opportunity for one final turn.
For example, if Player A’s spell animation concludes seconds prior to the timer reaching 30:00, Player B’s turn will not be counted as their final turn, even if the timer expires during a planning phase.
- 6.5.7. **Competitive Ruling.**
- Once both players have played their final turns, respectively. Players will be instructed to flee the battle. Any spells casted after the final turn has been instructed, will not count towards Game Results.
 - During Break Time (As specified in 6.7.1), the Head Referee will convene with the Broadcast Team on-air to determine a winner. A competitive ruling explanation will be provided on the broadcast, on DuelCircle.com, and on all social media platforms.
- 6.5.8. **No Show Disqualifications.**
- If players are not in Player Ready State (6.5.3) at the designated time, we will begin our 15 minute grace period. Players may show up during the 15 minute grace period without any penalties.
 - After the 15 minute grace period has elapsed, referees may choose to apply non-disqualification penalties. A 2nd 15 minute grace period will begin. If players still have not shown up for their game once the 2nd 15 minute grace period concludes, a no-show disqualification will automatically be implemented.
 - If at any time, DuelCircle Leadership alters the game schedule for the day, penalties may be waived.

6.6. Disconnects and Crashes

6.6.1. Definition of Term.

- **Disconnection.**

A Player losing connection to the Game due to problems or issues with the W101 client, network, or PC.

A Player losing connection to the Game due to Player's actions (i.e. quitting the Game).

- **Server Crash.** All Players losing connection to a Game due to an issue with KingsIsle's server.

6.6.2. Stoppage of Play.

Games may only be stopped in the event of a verifiable Terminal Situation.

- **Definitions.**

Bug. An error, flaw, failure or fault that produces an incorrect or unexpected result, or causes a Game or hardware device to behave in unintended ways.

Minor Bug. A Bug that is, at worst, inconvenient to Players. This may include Bugs that alter Game stats or gameplay mechanics in a manner that, while not optimal, can be played through if necessary. These Bugs would not result in a remake Game.

Terminal Situation. A Bug or other circumstance that requires that a Game be remake. In the case of a Terminal Situation, DuelCircle tournament officials shall follow the remake and restart procedures set forth in Section 6.5.3.

6.6.3. Remake Procedure.

- **Awarded Game Victory.** In the event of a Terminal Situation in which DuelCircle tournament officials intend to declare a remake, they must first consider whether a Game victory should be awarded to a Player.

DuelCircle tournament officials, in their sole discretion, may determine that a Player cannot avoid defeat (i.e. cannot come back and win the Game) to a degree of reasonable certainty. DuelCircle tournament officials may, but are not required to, follow similar standards of a typical timed-out match.

- **Offering a Remake.** If DuelCircle tournament officials do not award the Game victory, the Head Referee will determine whether either or both Players were significantly disadvantaged by the Bug, and any significantly disadvantaged Player will be offered the

opportunity to remake the Game. If any significantly disadvantaged Player accepts a remake, the Game will immediately be remade as per this section. Significant disadvantage is a prerequisite to a remake offer.

In certain Terminal Situations, for example, where the server has crashed, DuelCircle tournament officials may direct a remake without offering Players the opportunity to decide whether or not a remake shall be completed.

- **Gear and Spell Disables.** If the remake occurred due to a gear or spell Bug, then the specific Game element will be banned indefinitely until hotfixed by KingsIsle.

6.7. Post Match Process

6.7.1. Post-Game Process

- **Results.** League Officials will confirm and record the Game result.
- **Break Time.** League Officials will inform Players of the remaining amount of time before the next Game's pick/ban phase begins, if applicable. The standard time for transition in between Games is at least 15 minutes. The exact time will be provided to the Players by the Referees. If Players are not in Player Ready State within the arena, at the time designated to them by the Referees, the Player can be penalized for delay of Game.

6.7.2. Post-Match Process

- **Results.** League Officials will confirm and record the Match result.
